ORGANIZATIONS

MUSIC

If you were to commend any group for their performance and achievement this year the award would have to be presented to the music and band departments. They did an exceptional job in preparing and presenting themselves, their songs, and even their routines and dances for public viewing pleasure.

The music department presented this year an elementary grades concert, two senior high concerts, and the "Swing Show". In addition they also held a major roll in the production of the senior high musical "The Sound of Music", and the junior high musical, "Cheaper by the Dozen."

Left: The girl's sextet performs at the swing show. Members include Jani Cox, Kathy Edwards, Becky Weber, Donna Westergard, LeAnn Olson, and Michelle Gilbaugh.

Also, this year, for the first time, students at Graettinger had the opportunity to travel to Europe as participants in the American Institute for Foreign Study. The Chosen country this year was Spain. Students spent April 4 - 14 becoming acquainted with Spain and its people, traveling and sightseeing. In addition one day was also spent in Tangiers, Africa.

Participants in this program included Marqueta Weis, LeAnn Carlin, and Lori Berven. The group was advised and chaperoned by Mrs. Voorhees.

Above all, for those upon whose smile and well-being our own happiness depends,
And also for the countless unknown souls with whose fate we are connected by a bond of sympathy.

"April Showers" was the theme for this year's prom. The junior class spent hours creating an aura of raindrops and freshness to liven up the Legion Hall. After a very fine meal, the sophomore waiters and waitresses performed a skit set in the '50's. Following the banquet, "Smoking Red" provided the music for the dance.

April 28 brought more than showers to be remembered to those couples attending.
